## FOOD & BEVERAGE

Are you looking for a Food and Beverage lawyer in Singapore? Gravitas Law LLC provides legal services to Food and Beverage (F&B) clients in Singapore such as producers, distributors and importers-exporters of food and drinks as well as owners and operators of restaurants, food stalls, bakeries, cafes, bars and pubs.

We are an outside general counsel to Food and Beverage clients in Singapore with millions of dollars in annual sales, helping them achieve their business objectives in a challenging business environment. This experience enables us to give reliable, practical and cost-effective legal advice to F&B clients, from family businesses to multinational companies.

Whether your business is focused on the processing, transportation, distribution, brand, promotion or sale of food, liquor or natural health products, Gravitas Law LLC has a Food lawyer to represent and advise you in commercial agreements, contracts, intellectual property, litigation, partnership or shareholder disputes, product liability, trade secret misappropriation and infringement, and other F&B matters.

We advise and counsel F&B clients regarding risk management, dispute prevention and litigation avoidance. However, if you need to litigate, you can expect zealous representation from our Food lawyers.

If your company is involved in a lawsuit in Singapore, we will help you identify the issues and understand your options.

With our 20 years of experience in civil litigation and business and commercial law experience, Gravitas Law LLC can help you protect and grow your business.
